## **Pangean Technologies Receives *INTERNET TELEPHONY*<sup>®</sup> Magazine's 2006 Product of the Year Award**

### ***insta-REACT! Recognized for Outstanding Innovation***

VALLEY COTTAGE, NY, January 24, 2007— Pangean Technologies ([www.pangeantech.com](http://www.pangeantech.com)), experts in instant communications solutions for the enterprise, government, and educational markets, announced today that Technology Marketing Corporation (TMC<sup>®</sup>)'s *INTERNET TELEPHONY* magazine ([www.itmag.com](http://www.itmag.com)) has named *insta-REACT!* as a recipient of a 2006 Product of the Year Award. *INTERNET TELEPHONY* has been the VoIP Authority Since 1998<sup>™</sup>.

"This is the second time *insta-REACT!* has won this prestigious award and we are honored to be recognized for excellence and our commitment to innovation." said Tarun Kapoor, Chief Executive Officer at Pangean Technologies. "This solution is currently in use at Mount Olive College, MIT/NASA/DOD, Boeing, Scientific Research/AT&T Government solutions, and many other enterprises and facilities and we are certain our clients will be thrilled to know that they are using a world class technology."

*insta-REACT!*, Pangean's flagship product, is the first SIP-based product which integrates Presence, Instant Message (IM), Multi-Channel Audio Conference, Push to Talk, Recording, and many other features on a single interface, achieving instant enterprise-wide communications among project teams and individuals.

"*INTERNET TELEPHONY* is proud to bestow Pangean Technologies with a 2006 Product of the Year Award. Each year *INTERNET TELEPHONY* magazine recognizes companies that have demonstrated excellence in technological advancement and application refinements," said Rich Tehrani, TMC President and Editor-in-Chief of *INTERNET TELEPHONY* magazine. "Pangean Technologies has proven they are committed to quality and excellence while addressing real needs in the marketplace. We're proud to honor their hard work and accomplishments and look forward to more innovative solutions from them in the future."

#### **About Pangean Technologies**

Pangean Technologies develops and markets innovative, SIP-based, VoIP software solutions for internal and campus-wide communications for the enterprise, government, and educational markets. These cost-effective, open-system solutions leverage an existing corporate IP network by delivering efficient communications services to each user's desktop or handheld device.
